Artist Statement of Purpose

Art is my cause, art is my purpose. Alchemy is my passion, transforming feelings, experience into being.

Finding a way when the way is not clear, then knowing when to get out of my own way. Working intuitively – trusting, not selling out, while balancing societies demands. Living with fear – getting out of fear, accepting the conditions necessary to work – the isolation, the loneliness.

The work is not static, it is at once making itself and un-making itself un-becoming and becoming to get to that place of knowing, where the music lives.

A handwritten signature in black ink that reads "C.B. Mitchell". The initials "C.B." are written in a stylized, cursive font, followed by the name "Mitchell" in a similar but more legible cursive script.
